## Mark Adamsson Prize Application

For Summer 2020, the Mark Adamsson Prize will be awarded to a member of the SFS rising senior class (current juniors). It honors the memory of Mark Adamsson, an SFS student who passed away unexpectedly in 2015. The Prize of \$5,000 supports a summer-long international project that may take the form of research or an equally rewarding and useful initiative to make the world a better place, which is to be specified in a student's application. Applications should consist of this completed form, a description of the project and its value to the applicant and to any broader communities it might affect (no more than 1,000 words), and a resume. Winners are expected to provide a brief report on their summer's work by the end of September of their senior year, to be shared with the Dean's Office, past winners of the Prize, and friends and family of Mark Adamsson. The application deadline is **Sunday, February 23rd, 2020 at 11:59PM** to Ms. Sara Ali, sma316@georgetown.edu. Decisions will be announced in approximately 2 weeks.
